

# OUR VISION

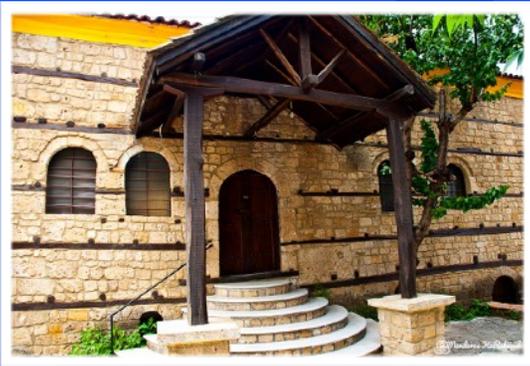

## *Reaching the World One Person at a Time*

*Touched by Grace* inspires individuals to unleash their true purpose by facilitating individual transformation through the synergy of partnership. Following the example of Christ, we seek to infuse the people we equip with resolve and boldness allowing their authentic potential to be unleashed.

Our goal is to guide individuals to lead a focused life with elegance and passion so they in turn become powerful catalysts for radical change all around them. Living a life free from fear that may keep them from reaching their true potential.

*Touched by Grace* recognizes we are created for life.

## President's Statement

Today, Touched By Grace is operating from a very strategic part of the world. The Middle East is paramount to God's daily work on earth. God made a covenant thousands of years ago with the people in this region, according to Genesis 15. We want everyone to be aware of the activities, the people, and the geography of this area. It is important that we understand His words, prophetically spoken over Israel, and how they translate in today's society and time. From Israel we move forward into Cyprus, Greece, Jordan, and Italy to continue the timeless teaching and account of God's Love to a broken world.

# School of Faith

Along life's way, we come to know the God of Abraham, Isaac, and Jacob, and find that we want to follow and hold true to the commands of the Lord. The Touched By Grace School of Faith provides an opportunity to strengthen your body, mind and soul by studying the Word of God and learning about who He is and His purpose for your life.

Additionally, Jesus commanded us to go into your sphere of influence and to all the world and encourage people to follow Jesus. What is holding you back from achieving all that God wants you to be?

We challenge you to come and continue the journey of a lifetime. Get the understanding we all need to impact the WORLD that Jesus Christ of Nazareth commanded us too.

If you wonder if this school is for you, answer these questions:  
Do I know God's blue print for my life?  
Do I know what I need to be doing each day?  
Do I really know Jesus?

## The Biblical Experience

### *Where Faith Comes to Life*

**Touched by Grace** has been offering biblical trips to the places of the Bible since 2007. Our trips take you to the very location where God's Word was spoken. Come rest, learn, and grow in faith by being in the land where Jesus walked. We look forward to serving you, or your group, as your faith comes alive with the living and active Word of God.

## Daily Torah Portion

### *Where the Word Comes to Life*

**Daily Torah** Portion is birthed out of a desire to bring people close to the Torah on a daily basis, letting it change us into individual **LIVING TORAHS** for the world to see. This daily progressive study will bring you into a deeper place of personal growth ... making you more aware of **His living love letter** which brings hope and light to a broken world. The Holy Spirit will lead you to places that only He can take you in your walk with God.

## Jordan River Experience

### *Bringing Commitment to Life*

**Touched by Grace** is immersing individuals in the ancient Jordan River that John immersed 2000 years ago. Individuals who are making a first time profession of faith in the God of Abraham, Isaac, and Jacob, and those that are rededicating their lives, have been changed by their experience of immersion in these waters. Come and experience His presence in this place and beyond.

## Men to Men

*"Don't ask yourself what the world needs, ask yourself what makes you come alive, because what the world needs are men who have come alive." – John Eldredge*

*We bring men into an environment where intentionally led lives are cultivated in relationship with one another based on respect, encouragement, and hope.*

## Women to Women

*A Women to Women retreat teaches women how to REST in God, be REFRESHED by God, and RESTORED to God. Retreats are designed to draw women into a deeper relationship with the God of Abraham, Isaac, and Jacob.*

*Currently, women are encouraged of the significance of resting, refreshing and restoring themselves so they can be a better influence on those around them. Rose teaches with a Biblical Hebraic understanding.*
